ART SUPPLIES

Below are the supplies that are required to be brought to school for the art room. These supplies will be communal elementary art supplies. Since these will be kept in the art room, items listed below need to be purchased in addition to any similar or same items listed on an individual classroom supply list.

For example, if a classroom teacher has indicated that a box of markers will be needed for their class, and a box of markers is listed below for that grade level, then two boxes of markers will need to be purchased. You will not need to put the student's name on art supplies. Thank you all for helping us keep the cost of creativity low this year!
